

**COUNTY of VENTURA**  
Department of Airports

555 Airport Way, Suite B  
Camarillo, Ca. 93010  
Phone: (805) 388-4372  
Fax: (805) 388-4366  
<https://airports.venturacounty.gov>

NOTICE IS HEREBY GIVEN  
that the Regular Meeting of the Aviation Advisory Commission  
will be held on:

**Wednesday**                      **January 7, 2026**                      **6:30 P.M.**

**DEPARTMENT OF AIRPORTS  
ADMINISTRATION OFFICE  
CONFERENCE ROOM  
555 AIRPORT WAY, SUITE B  
CAMARILLO, CA**

Public Participation Options and Instructions:

1. Attend in-person at the address listed above.
2. You may observe the meeting via the **Department of Airports YouTube channel**  
[https://www.youtube.com/channel/UC4jLWASMGn4wTrEPdT8BOTQ?view\\_as=subscriber](https://www.youtube.com/channel/UC4jLWASMGn4wTrEPdT8BOTQ?view_as=subscriber)
3. Participate and provide public comment via Zoom:

**WEBINAR:**<https://us02web.zoom.us/j/84805819626?pwd=TBnjcBhkvVzMqY3rEdVGM1aWJDmDeg.1>

**WEBINAR ID:** 848 0581 9626

**WEBINAR PASSCODE:** 021839

**TELEPHONE:** 1-669-444-9171

Click on the link above and enter your name so we may call on you when it is your turn to speak. Members of the public who wish to comment should use the "Raise Hand" function in Zoom when the Chair of the Commission calls for public comment. The secretary will call your name when it is your turn to speak. You will be prompted to unmute your microphone. Unmute and begin speaking; start by stating your name.

If joining by telephone, press star (\*) then 9 on their touch-tone phone when the Chair of the Commission calls for public comment. The secretary will call the last 4 digits of your phone number when it is your turn to speak. You will be prompted to unmute your phone. Unmute and begin speaking; start by stating your name.

Members of the public are limited to three (3) minutes per speaker per listed agenda item at a single meeting unless the time allotment is decreased by the Chair depending on the number of speakers. Please ensure that all background noise is muted (TV, radio, etc.).

4. Email or Mail Public Comment in Advance of the Meeting:

If you wish to make a written comment on a specific agenda item by email or mail, please submit your comment by 12:00 p.m. on the day prior to the meeting. Your written comment will be distributed to Commission members and made part of the permanent meeting record. Written comments will be made available to the public and can be viewed online at <https://airports.venturacounty.gov/meeting-archives/> or in person at the Airport Administration Office located at 555 Airport Way, Suite B, Camarillo, CA 93010.

Public comments submitted in writing are public record and subject to disclosure. An unredacted version is made available when records are requested by a Public Records Act request. Please do not submit personal contact information you do not want to be made public.

Comments submitted by email can be sent [airportmeetings@venturacounty.gov](mailto:airportmeetings@venturacounty.gov). In the **Subject Line** of the email please indicate “**AAC Meeting Comment**” and the **Agenda item number** on which you are commenting (e.g., AAC Meeting Comment – Agenda Item No. 5) then proceed with your comment in the body of the e-mail.

Comments submitted by mail can be sent to [555 Airport Way, Ste. B, Camarillo, CA 93010, Attention: Lizet Kennel](#). In the **Subject Line** of the correspondence please indicate “**AAC Meeting Comment**” and the **Agenda item number** on which you are commenting (e.g., AAC Meeting Comment – Agenda Item No. 5) then proceed with your comment in the body of the correspondence.

## **AGENDA**

- 1. CALL to ORDER and PLEDGE of ALLEGIANCE**
- 2. ROLL CALL**
- 3. AGENDA REVIEW**
- 4. APPROVAL of MINUTES – November 12, 2025** Pages 8-15
- 5. PUBLIC COMMENT PERIOD**

**Airport related comments during the public comment part of the meeting to address non-agenda items is limited to no more than three (3) minutes per speaker and may be increased or decreased by the Chair depending on the number of speakers for non-agenda items.**

### **In-Person Public Comment:**

Speakers must fill out a speaker card and submit it to the secretary before the end of the public comment period.

Speaker cards for issues listed on the agenda must be presented before the item is up for consideration. Speakers will be called when the item is presented.

### **Zoom Public Comment:**

Speakers should press the raise hand button, or if joining by telephone, press star (\*) then 9 to be added to the speaker queue when the Chair of the Commission calls for public comment.

### **Email or Mail Public Comment:**

If you wish to make a written comment on a specific agenda item by email or mail, please submit your comment by 12:00 p.m. on the day prior to the meeting. Your written comment will be distributed to Commission members and made part of the permanent meeting record. Written comments will be made available to the public and can be viewed online at <https://airports.venturacounty.gov/meeting-archives/> or in person at the Airport Administration Office located at 555 Airport Way, Suite B, Camarillo, CA 93010.

Public comments submitted in writing are public record and subject to disclosure. An unredacted version is made available when records are requested by a Public Records Act request. Please do not submit personal contact information you do not want to be made public.

## **6. CONSENT AGENDA**

**Consent Agenda items are routine and non-controversial. Items are reviewed and approved together as recommended and without discussion unless an item is pulled for a separate action by the Commission on the Regular Agenda. Consent items are heard at the Commission's discretion and may be heard at any time during the meeting.**

**A. Subject: Find That the Airport Properties Limited Development Project at Camarillo Airport is Categorically Exempt from the California Environmental Quality Act** Pages 16-19

**Recommendation:**

Staff requests that your Commission/Authorities recommend that the Board of Supervisors (Board):

Find that the Airport Properties Limited (APL) development project at Camarillo Airport is categorically exempt from the California Environmental Quality Act (CEQA) under CEQA Guidelines Section 15332.

**B. Subject: Approval of, and Authorization for the Director of Airports or His Designee to Sign, the Proposed Second Amendment to Lease with Camino Ruiz, a California Limited Liability Company (LLC), at the Camarillo Airport** Pages 20-23

**Recommendation:**

Staff requests that your Commission/Authorities recommend that the Board of Supervisors (Board):

Approve, and authorize the Director of Airports or his designee to sign, the proposed Second Amendment to Lease with Camino Ruiz, LLC., at the Camarillo Airport (Exhibit 1).

## **7. REGULAR AGENDA**

**Regular Agenda items are heard at the Authorities' discretion and may be heard at any time during the meeting.**

**A. Subject: Selection of Chair and Vice-Chair for Calendar Year 2026** Page 24

**Recommendation:**

Nominate and select the 2026 Chair and Vice-Chair of the Aviation Advisory Commission (AAC).

**B. Subject: Continuation of Discussion Regarding Effectiveness and Efficiency of the Aviation Advisory Commission** Page 25

**Recommendation:**

The recommendation by the Department of Airports (DOA) is that an Ad Hoc Committee be established, with up to four members of the Aviation Advisory Commission (AAC), to research, investigate and ultimately make recommendations to the full AAC regarding effectiveness and efficiency improvements to the AAC. Any final recommendation would ultimately be presented to the County Board of Supervisors for consideration and final action.

**C. Subject: Receive and File a Monthly Staff Update from Communications and Engagement Manager Regarding Ventura County Airports** Pages 26-27

**Recommendation:**

Receive and file a monthly staff update from Communication and Engagement Manager regarding Ventura County Airports.

**D. Subject: Receive and File Staff Update Regarding Video Surveillance and Access Control System Installation at Camarillo and Oxnard Airports** Pages 28-29

**Recommendation:**

Receive and file staff update regarding the installation status and planned activation of the new video surveillance and access control systems at Camarillo Airport (CMA) and Oxnard Airport (OXR).

**8. DIRECTOR'S REPORT**

**9. REPORTS** Pages 30-60

**Report items listed below are presented to the Aviation Advisory Commission for information only, at this time. The report items require no action or are not ready for the Commission's consideration. The Commission may refer these items to the Department of Airports for investigation and report back on a future agenda.**

Monthly Activity Report – October - November 2025  
Monthly Noise Complaints – October - November 2025  
Consultant Reports (Coffman Associates) – October - November 2025  
Consultant Reports (Woolpert – Camarillo Airport) – October - November 2025  
Consultant Reports (Woolpert – Oxnard Airport) – October - November 2025  
Project Status Report – December 2025  
FY 24-25 Q3 & Q4 Financials  
Meeting Calendars 2026

**10. CORRESPONDENCE** Pages 61-69

**Correspondence items listed below are presented to the Aviation Advisory Commission for information only, at this time. The correspondence items require no action or are not ready for the Commission's consideration. The Commission may refer these items to the Department of Airports for investigation and report back on a future agenda.**

Camarillo Acorn article dated November 15, 2025, re: Camarillo residents care, work and 'invest in one another'

Letter from City of Oxnard Councilmember, Bert E. Perello to Mr. Keith Freitas dated November 18, 2025, re: November 13, 2025 Agenda Item No. D, Oxnard Airport Authority – City of Oxnard  
Comment Letter on Part 150 Noise Compatibility Planning Study for Oxnard Airport

Department of Airports News dated November 21, 2025, re: REMINDER: Applications for Airport Authority Now Open

Letter from Lease Manager, Madeline Herrle to Mr. Charlie McLaughlin dated December 10, 2025, re: Oxnard Airport – 5 acre site Additional soils testing

Department of Airports News dated December 16, 2025, re: FINAL REMINDER: Applications Now Open for Airport Authority

Ventura County Department of Airports Request for Proposal (RFP) dated December 31, 2025, SELECTION PROCESS OF A MASTER DEVELOPER FOR AN APPROXIMATE 4.1 ACRE SITE FOR COMMERCIAL AVIATION DEVELOPMENT and/or REPAIR OR REPLACEMENT OF GENERAL AVIATION AIRCRAFT HANGARS AT THE CAMARILLO AIRPORT

**11. COMMISSION COMMENTS** – Comments by Commission members on matters deemed appropriate.

## **12. ADJOURNMENT**

The next regular Commission meeting will be on **Wednesday, February 4, 2026, at 6:30 p.m.** in the Department of Airports Administration Office Conference Room, 555 Airport Way, Suite B, Camarillo, California.

---

IN COMPLIANCE WITH THE AMERICANS WITH DISABILITIES ACT, IF YOU NEED SPECIAL ASSISTANCE TO PARTICIPATE IN THIS MEETING, PLEASE CONTACT LIZET KENNEL (805) 388-4372. NOTIFICATION 48 HOURS PRIOR TO THE MEETING WILL ENABLE THE DEPARTMENT OF AIRPORTS TO MAKE REASONABLE ARRANGEMENTS TO ENSURE ACCESSIBILITY TO THIS MEETING.

## Webinar Instructions

Public link to Zoom webinar:

<https://us02web.zoom.us/j/84805819626?pwd=TBnJcBhkvVzMqY3rEdVGM1aWJDmDeg.1>

**Webinar ID:** 828 2395 9668  
**Passcode:** 021839  
**Phone Numbers:** 1-669-444-9171

**Cell Phone or Computer with Audio (Microphone) Feature:** Click on the link above and enter passcode. Enter your name so we may call on you when it is your turn to speak.

The Chairperson will ask if anyone wishes to speak to the item. At that time, raise your hand by clicking the Raise Hand button. Follow the instructions below regarding Speaking.

**Computer without Audio (Microphone) Feature:** Click on the link above and enter passcode. This will allow you to view and listen to the meeting. In order to speak, follow the instructions below for Telephone.

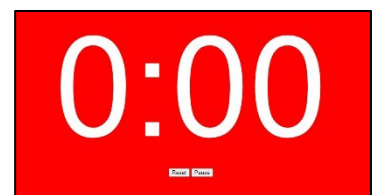

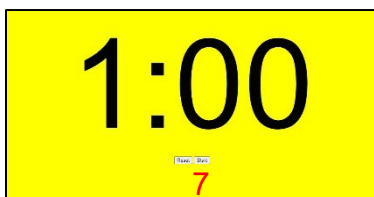

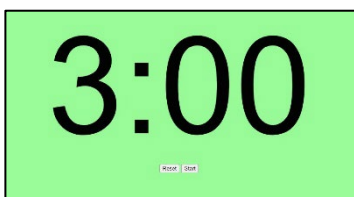

**Telephone:** You may observe the meeting via the Department of Airports YouTube channel. If you are interested in speaking to an item, you can call into one of the phone lines listed above, and when prompted enter the Webinar ID and Passcode shown above. Once in the meeting, you will be listening to the meeting through your phone handset.

The Chairperson will ask if anyone wishes to speak to the item. At that time, raise your hand by dialing \*9. Follow the instructions below regarding Speaking.

## Speaking

When it is your turn to speak, the Chairperson will call your name or the last 4 digits of your phone number if you are calling from a phone, and you are allotted three (3) minutes per speaker per listed agenda item at a single meeting. The time may be increased or decreased by the chair depending on the number of speakers Please ensure that all background noise is muted (TV, radio, etc.). You will be prompted to unmute your microphone/phone. Unmute and begin speaking; start by stating your name.

The timer on the screen will count down your three (3) minutes The timer starts green indicating you have three (3) minutes; when the time hits one (1) minute remaining, the timer will change to yellow; when the three (3) minutes have elapsed, the timer will turn red. At that time, your microphone will be muted and we will move onto the next speaker. If you called in on one of the phone lines listed above, you will not be able to see the timer. Instead, you will be prompted when the three (3) has begun; when the time hits one (1) minute remaining; when the three (3) minutes have elapsed.

## AVIATION ADVISORY COMMISSION

### MINUTES

November 12, 2025

#### 1. CALL to ORDER and PLEDGE of ALLEGIANCE

Chair, Matt Johnston, called the meeting to order at 6:35 p.m. and requested that Commissioner Steve Tannehill lead the pledge of allegiance.

#### 2. ROLL CALL

##### PRESENT

Jerrold Abramson  
Clarke Cramer (L)  
Steve Tannehill  
Rich Weyek  
Matthew Johnston

*Excused (E)*

*Late (L)*

*Absent (A)*

##### ABSENT

John Corneau (E)  
Sean Colvin (E)  
Bruce Martin (E)  
Marc McCamish (E)

##### AIRPORT STAFF

Keith Freitas, Director  
Casey Pullman, Deputy Director  
Erin Powers, Deputy Director  
Jannette Jauregui, Communications & Engagement Manager  
Madeline Herrle, Lease Manager  
Daniel Quezada, Lease Assistant  
Ana Castro, Administrative Officer  
Denise Arreola, Administrative Assistant  
Lizet Kennel, Management Assistant

#### 3. AGENDA REVIEW

Director Keith Freitas shared that one public comment (related to item 6.F) was received via e-mail. The comment was posted and shared with the Commission prior to the meeting.

Typo correction for Item 6.E. The recommendation in the agenda letter only references the Camarillo Airport Authority. The first sentence of the recommendation should be corrected to read, "Staff requests that the Camarillo Airport Authority and the Aviation Advisory Commission review, discuss and recommend language that may be utilized by the Department of Airports for the upcoming Request for Proposals (RFP) to improve approximately 4.13-acres of land at Camarillo Airport.

#### **4. APPROVAL OF MINUTES – September 10, 2025**

***Action: Upon the motion of Commissioner Jerrold Abramson and seconded by Commissioner Clarke Cramer, the Commission hereby approves the September 10, 2025, minutes. All members voted and the motion passed unanimously 4-0 with one abstention from Commissioner Steve Tannehill.***

***Agenda Item 4 was heard after Agenda Item 6.A.***

- 5. PUBLIC COMMENT** - Citizens wishing to speak to the Commission on an airport related item must fill out a speaker card and submit it to the secretary. Comments will be limited to a maximum of **three** minutes per item.

*Speaker cards for issues NOT on the agenda must be submitted before the end of the public comment period.*

*Speaker cards for issues listed on the agenda must be presented before the item is up for consideration. Speakers will be called when the item is presented.*

***No public comment made.***

#### **6. REGULAR AGENDA**

**Regular Agenda items are heard at the Commission's discretion and may be heard at any time during the meeting.**

- A. Subject: Receive and File Staff Report Regarding Annual Wings Over Camarillo Air Show**

##### **Recommendation:**

Receive and file a staff report regarding the annual Wings Over Camarillo Air Show at Camarillo Airport. The Department of Airports worked successfully with Wings Over Camarillo (WOC) leadership to successfully develop an excellent balance of air show acts that were embraced by event guests, the local neighbors, and the Ventura County Animal Shelter.

Bill Thomas and Bob Trimborn from Wings Over Camarillo reviewed a PowerPoint presentation summarizing the event, highlighting its scale and the significant planning and resources involved to provide the Aviation Advisory Commission and the public with a better understanding of what it takes to successfully host the event. Vice Chair Matt Johnston thanked Bill, Bob and all the volunteers for all the great work.

***Action: Without motion, the Commission receives and files a staff report regarding annual Wings Over Camarillo.***

**B. Subject: Receive and File a Monthly Staff Update from Communications and Engagement Manager Regarding Ventura County Airports**

**Recommendation:**

Receive and file a monthly staff update from Communication and Engagement Manager regarding Ventura County Airports

Communications and Engagement Manager Jannette Jauregui presented a feature story on the 2025 Aviation Career Day, providing photos and event details that took place on October 17, 2025, at the Commemorative Air Force Museum located at Camarillo Airport.

***Action: Without motion, the Commission receives and files a monthly staff update from Communications and Engagement Manager regarding Ventura County Airports.***

**C. Subject: Approval of the 14 Code of Federal Regulations Part 150 Noise Compatibility Planning Study for Oxnard Airport; Including Noise Exposure Maps and Noise Compatibility Measures Through 2042; and Authorization for the Director of Airports or his Designee to Make Minor Modifications to the Study Documents as May be Requested by the Federal Aviation Administration; and Find the Part 150 Noise Study Categorically Exempt from the California Environmental Quality Act (Exhibit 1 is available for review at <https://oxr-noise-study.airportstudy.net/>)**

**Recommendations:**

Staff requests that your Commission/Authorities recommend that the Board of Supervisors (Board):

1. Approve the 14 Code of Federal Regulations (CFR) Part 150 Noise Compatibility Planning Study for Oxnard Airport; Including noise exposure maps and noise compatibility measures through 2042 (Exhibit 1);
2. Authorize the Director of Airports, or his designee, to make minor modifications to the study documents as may be requested by the Federal Aviation Administration (FAA); and

3. Find that the Part 150 Noise Study is categorically exempt from the California Environmental Quality Act (CEQA) under CEQA Guidelines Section 15262.

Erin Powers, Deputy Director, presented the item to the Commission, providing an overview of the study's timeline and recommending that the Board of Supervisors approve the noise study and authorize the Director of Airports, or designee, to make any minor modifications requested by the FAA and that the study be categorically exempt from California Environmental Quality Act. A question from the Commission was heard and addressed by staff.

***Action: Upon the motion of Commissioner Jerrold Abramson and seconded by Commissioner Steve Tannehill, the Commission hereby approves the recommendations as stated in the respective agenda letter for item 6.C. All members voted and the motion passed unanimously 5-0.***

**D. Subject:** Approval of the 14 Code of Federal Regulations Part 150 Noise Compatibility Planning Study for Camarillo Airport; Including Noise Exposure Maps and Noise Compatibility Measures Through 2042; and Authorization for the Director of Airports or his Designee to Make Minor Modifications to the Study Documents as May be Requested by the Federal Aviation Administration; and Find the Part 150 Noise Study Categorically Exempt from the California Environmental Quality Act (*Exhibit 1 is available for review at <https://cma-noise-study.airportstudy.net/>*)

**Recommendations:**

Staff requests that your Commission/Authorities recommend that the Board of Supervisors (Board):

1. Approve the 14 Code of Federal Regulations (CFR) Part 150 Noise Compatibility Planning Study for Camarillo Airport; Including noise exposure maps and noise compatibility measures through 2042 (Exhibit 1);
2. Authorize the Director of Airports, or his designee, to make minor modifications to the study documents as may be requested by the Federal Aviation Administration (FAA); and
3. Find that the Part 150 Noise Study is categorically exempt from the California Environmental Quality Act (CEQA) under CEQA Guidelines Section 15262.

Erin Powers, Deputy Director, presented the item to the Commission, providing an overview of the study's timeline and recommending that the Board of Supervisors approve the noise study and authorize the Director of Airports, or designee, to make any minor modifications requested by the FAA and that the study be categorically exempt from California Environmental Quality Act.

***Action: Upon the motion of Commissioner Clarke Cramer and seconded by Commissioner Jerrold Abramson, the Commission hereby approves the***

***recommendations as stated in the respective agenda letter for item 6.D. All members voted and the motion passed unanimously 5-0.***

**E. Subject: Review, Discuss and Recommend Modifications to Draft Language, Project Scope and Process Associated with the Request for Proposal to Improve Approximately 4.13-Acres of Land at Camarillo Airport; This Property Currently is Occupied by Forty-Nine (49) Small and Medium Size Aircraft Hangars**

**Recommendation:**

Staff requests that the Camarillo Airport Authority and the Aviation Advisory Commission review, discuss and recommend language that may be utilized by the Department of Airports for the upcoming Request for Proposals (RFP) to improve approximately 4.13-acres of land at Camarillo Airport. This property is occupied by forty-nine (49) small and medium-sized aircraft hangars. (Exhibit 1).

Keith Freitas, Director of Airports, presented the item to the Commission with a PowerPoint presentation. He provided an overview of the item previously discussed and shared details regarding hangars in disrepair. He also requested input or ideas from the Commissioners on what they would like included in the RFP. Questions from the Commission were heard and addressed by staff.

***Action: Without motion, the Commission reviewed, discussed, and recommended modifications to draft language project scope and process associated with the request for proposal to improve approximately 4.13-acres of land at Camarillo Airport.***

**F. Subject: Discuss Effectiveness and Efficiency of the Aviation Advisory Commission**

**Recommendation:**

Discuss the effectiveness and cost benefit of continuing the Aviation Advisory Commission (AAC) for the Ventura County stakeholders in its current structure, including alternatives, such as dissolution, restructuring, repurposing, and other modifications.

Keith Freitas, Director of Airports, presented the item to the Commission. This item was placed on the agenda following a recommendation made several meetings ago. Director Freitas provided an overview of the airport's history and explained how the Commission and the Authorities were established. Director Freitas reviewed the research completed to outline the cost and time associated with each meeting. Commissioner Jerrold Abramson emphasized that the Commission's role comes down to representation, noting that Commissioner's represent each Supervisor's district and are appointed accordingly, whereas the Airport Authorities represent the cities of Camarillo and Oxnard respectively. Director Freitas addressed Commissioner Jerrold Abramson's comment. Vice Chair Matt Johnston commented that he appreciated the discussion. Commissioner Steve Tannehill

expressed support for Commissioner Jerrold Abramson's statement and commented on how the Commission could benefit from having broader representation. Vice Chair Matt Johnston spoke about what the next steps look like for the Commission. Public comments were received by staff and the Commission. Commissioner Steve Tannehill suggested holding a workshop or forming an Ad Hoc Committee. Vice Chair Matt Johnston recommended that staff continue the discussion at a future meeting and work with the Chair to determine next steps.

## **7. DIRECTOR'S REPORT**

Director Freitas opened the Director's Report with an update on Heart Aerospace, a Swedish-based company that recently relocated its headquarters to Irvine, California. He noted that the company's team required a test area and has been utilizing ramp space at the Oxnard Airport. A video was presented showcasing one of Heart Aerospace's electric engines, and it was clarified that the noise heard in the footage was generated by the generator, not the engine itself.

The Department of Airports partnered up with the Economic Vitality group to attend the Fathomwerx Annual Summit, held in Port Hueneme. The Department of Airports and the Economic Vitality group provided an update on the 805 Advanced Air Mobility Test Range, which are currently working on to secure FAA approval. The event, hosted by the Navy, featured approximately 70 exhibitors across air, sea, and below sea. It was an exciting opportunity and a valuable platform to share information regarding advanced air mobility.

Director Freitas shared upcoming deadlines and provided an update on the application process to select a new Camarillo/Oxnard Airport Authority public member and alternate public member. Director Freitas noted that current public members Barbara Filkins and Scott Barer will serve through February 28, 2026, with the next public member cycle beginning in March 2026.

The former CloudNine facility on the corner of Las Posas now displays new signage from its new owners, Sky Harbour.

***Director's Report was received and filed.***

## **8. REPORTS**

**Report items listed below are presented to the Aviation Advisory Commission for information only, at this time. The report items require no action or are not ready for the Commission's consideration. The Commission may refer these items to the Department of Airports for investigation and report back on a future agenda.**

**10. COMMISSION COMMENTS** – Comments by Commission members on matters deemed appropriate.

Commissioner Steve Tannehill shared that he is very pleased that the air traffic controllers will get paid soon.

## **11. ADJOURNMENT**

There being no further business, a motion to adjourn the November 12th meeting of the Aviation Advisory Commission at 8:23 p.m. was made by Commissioner Jerrold Abramson and seconded by Commissioner Steve Tannehill.

The next regular Commission meeting will be on **Wednesday, December 10, 2025, at 6:30 p.m.** in the Department of Airports Administration Office Conference Room, 555 Airport Way, Suite B, Camarillo, California.

KEITH FREITAS, A.A.E., C.A.E.  
Administrative Secretary

**COUNTY of VENTURA**  
Department of Airports

555 Airport Way, Suite B

Camarillo, Ca. 93010

Phone: (805) 388-4372

Fax: (805) 388-4366

<https://airports.venturacounty.gov>

January 7, 2026

Aviation Advisory Commission  
Camarillo Airport Authority  
555 Airport Way, Suite B  
Camarillo, CA 93010

**Subject: Find That the Airport Properties Limited Development Project at Camarillo Airport is Categorically Exempt from the California Environmental Quality Act**

**Recommendation:**

Staff requests that your Commission/Authorities recommend that the Board of Supervisors (Board):

Find that the Airport Properties Limited (APL) development project at Camarillo Airport is categorically exempt from the California Environmental Quality Act (CEQA) under CEQA Guidelines Section 15332.

**Fiscal/Mandates Impact:**

Mandatory: *No*

Source of funding: *Airport Enterprise Fund*

Funding match required: *No*

Impact on other departments: *None*

<b><u>Summary of Revenue and Project Costs</u></b>	<b><u>FY 2025/26</u></b>	<b><u>FY 2026/27</u></b>
Revenue:	\$ 0	\$ 0
Direct Costs	50*	0
Net Costs – Airport Enterprise Fund	<u>\$ 50*</u>	<u>\$ 0</u>

*\*Estimated environmental filing fee.*

**Discussion:**

The original development planned by APL was included in a 1999 Airport Master Plan and a Program Environmental Impact Report (EIR). A Program EIR requires that the County evaluate subsequent improvement plans to determine whether they are in keeping with the original plan and projected environmental effects, or whether additional

environmental analysis will be necessary. However, a Program EIR also allows for the actual design and location of various improvements to be modified because of changing conditions at the Airport.

In this case, APL's site plan has largely remained the same, focused on developing hangars for aircraft storage. A subsequent lease amendment allows the remaining development area to include both aircraft storage hangars and/or hangars/facilities to support limited Aeronautical Service Provider (aka Fixed Base Operator) services. Therefore, APL has adjusted the quantity and size of hangars in the site plan to meet the potential demands of limited Aeronautical Service Providers (ASP) and has included a freestanding restroom and an aviation support building with parking. This is consistent with the 1999 Program EIR, which did not specify whether the hangars would be for storage or other commercial purposes, and even provided a discussion of the types of uses that are typical for general aviation hangars, explicitly contemplating "housing fixed base operator activities ....". Additionally, the long-term forecasts anticipated annual operations of 305,800 takeoffs and landings and the environmental effects associated with those operations. Current annual operations average approximately 188,000 and are well within the operational levels and activities contemplated in the 1999 Program EIR.

Finally, California Code of Regulations, Title 14, §15332, allows for a Categorical Exclusion for in-fill development projects. APL's proposed site plan meets the conditions of this exemption as the project is consistent with general plan policies and zoning regulations; the proposed development occurs within city limits and is less than five acres and surrounded by urban uses; the project site has no value as habitat for endangered, rare or threatened species; the project would not result in any significant effects to traffic, noise, air quality, or water quality; and the site can adequately be served by all required utilities and public services.

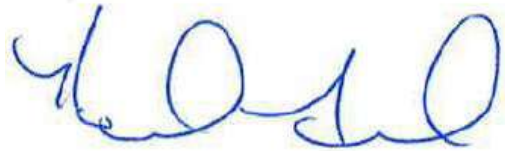

Therefore, the Airport, as lead agency, requests the Board find the project categorically exempt from CEQA under CEQA Guidelines section 15332 (In-fill Development Projects) because it meets the conditions as described above and there is no possibility that the project will have a significant effect on the environment, either individually or cumulatively. A Notice of Exemption will be filed after the Board's action.

**Strategic Priority:**

This project supports the County's Strategic Priorities to support fiscal responsibility, economic vitality, reliable infrastructure and sustainability.

January 7, 2026

Aviation Advisory Commission  
Camarillo Airport Authority  
555 Airport Way, Suite B  
Camarillo, CA 93010

**Subject:** Approval of, and Authorization for the Director of Airports or His Designee to Sign, the Proposed Second Amendment to Lease with Camino Ruiz, a California Limited Liability Company (LLC), at the Camarillo Airport

**Recommendation:**

Staff requests that your Commission/Authorities recommend that the Board of Supervisors (Board):

Approve, and authorize the Director of Airports or his designee to sign, the proposed Second Amendment to Lease with Camino Ruiz, LLC., at the Camarillo Airport (Exhibit 1).

**Fiscal Impact:** There are no fiscal impacts associated with the recommended action.

**Discussion:**

In July 2013, the Kim and Bill Burr Family Trust signed a lease with the County for the development of a 9,550 square foot hangar facility which shares a private ramp and gate with three other hangars developed by Bill Burr (which hangars are currently leased by other tenants). In March 2022, the lease was amended (the "First Amendment") to remove the right to operate a Part 135 Charter service at the premises and allow for the use of the hangar for aircraft repair and maintenance, in addition to aircraft storage. Thereafter the lease was assigned to Camino Ruiz, LLC.

Camino Ruiz, LLC., now wishes to restore the ability to operate a Part 135 Charter Service at the premises and County agrees to amend the lease to implement this modification of services to include Charter service in addition to aircraft repair and maintenance and aircraft storage. The Department of Airports supports this additional service at the premises.

**Strategic Priority:**

**Fiscal Responsibility and Economic Vitality**

By expanding the allowable services at this Limited Service Aviation Service Provider, the existing facility is able to offer additional aviation services at the Camarillo Airport, thereby expanding customer services available to aviation users, and supports the regional economy with increased tax revenues and employment opportunities. The Department of Airports also increases its self-sustaining position in the County, and local business benefits from additional visits by patrons and users.

**Reliable Infrastructure and Sustainability**

New investment in expanded services and related facilities, to service existing clients and support new business opportunities.

If you have any questions regarding this item, please call Madeline Herrle at (805) 388-4243 or me at (805) 388-4200.

Exhibit 1 – Proposed Second Amendment to Lease with Camino Ruiz, LLC

**COUNTY OF VENTURA  
DEPARTMENT OF AIRPORTS  
SECOND AMENDMENT TO LEASE  
65C DURLEY**

THIS SECOND AMENDMENT ("Second Amendment") is made and entered into by and between COUNTY OF VENTURA ("County"), and CAMINO RUIZ, LLC, a California limited liability company, successor-in-interest to WILLIAM C.B. BURR AND KIM ALLISON BURR AS TRUSTEES OF THE KIM AND BILL BURR FAMILY TRUST DATED DECEMBER 17, 2004 ("Tenant") effective as of the date of the last signature to this agreement (the "Effective Date").

**WITNESSETH:**

WHEREAS, County and Tenant entered into a lease dated July 16, 2013, ("the Original Lease"), and a First Amendment dated May 24, 2022 for certain property at Camarillo Airport, commonly known as 65C Durley, and

WHEREAS, the parties wish to amend the Original Lease to modify the Purpose and Required Uses as outlined in Paragraph 4 of the Original Lease and First Amendment, and

WHEREAS, the Original Lease, First Amendment, and this Second Amendment shall hereinafter be referred to as the "Lease,"

NOW, THEREFORE, in consideration of the mutual promises herein contained and good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the parties, County and Tenant agree as follows:

1. **AMENDMENT CONTROLLING; DEFINITIONS.** County and Tenant hereby acknowledge and reaffirm all of their respective rights, duties and obligations under the Lease including this Second Amendment. All terms of the Original Lease and the First Amendment remain in full force and effect except as expressly modified by this Second Amendment. Should anything in this Second Amendment conflict with anything in the Original Lease and First Amendment, the terms of this Second Amendment shall control. Unless otherwise specifically set forth herein, all capitalized terms herein shall have the same meaning as set forth in the Original Lease.
2. **In the First Amendment, Paragraph 4. Purpose,** the sentence "Tenant shall operate and maintain a first-rate aircraft repair, maintenance service, and may operate a storage service" shall be followed with "and Tenant may operate a Part 135 Charter Service"
3. **In the First Amendment, Paragraph 4. Purpose. A. Required Services,** the first sentence "Tenant is hereby granted the nonexclusive privilege to engage in, and Tenant agrees it may engage in, the business of providing aircraft storage and repair as a limited Aeronautical Service Provider (ASP), as further defined in

**COUNTY OF VENTURA  
DEPARTMENT OF AIRPORTS  
SECOND AMENDMENT TO LEASE  
65C DURLEY**

Pages 26-

the Airport Minimum Standards.” shall be modified by inserting “and/or a Part 135 Charter Service” before “as further defined...”

The second sentence shall be modified by inserting “and Part 135 Charter Service”, following “Tenant is engaged in the business of providing aircraft repair services...”

4. **ENTIRE AGREEMENT.** This Second Amendment, together with the Original Lease, and First Amendment, contains the entire Agreement between County and Tenant with respect to the matters stated herein and both parties acknowledge that neither relies upon any statements or representations by the other not contained herein.
5. **MODIFICATION.** This Second Amendment cannot be modified orally but only in writing signed by both parties hereto.

IN WITNESS WHEREOF, the parties hereto have executed the Amendment on the date first above written.

January 7, 2026

Aviation Advisory Commission  
555 Airport Way, Suite B  
Camarillo, CA 93010

**Subject:**    **Selection of Chair and Vice-Chair for Calendar Year 2026**

**Recommendation:**

Nominate and select the 2026 Chair and Vice-Chair of the Aviation Advisory Commission (AAC).

**Fiscal/Mandates Impact:**

This item is presented for information only and it does not require consideration by the Board of Supervisors at this time. There are no fiscal impacts associated with the recommended action.

**Discussion:**

Article VII of the Aviation Advisory Commission bylaws states in part, "The Commission shall select from its membership a Chair and a Vice-Chair. Each shall serve for one (1) calendar year beginning on the first meeting in January."

To fill a vacancy, it is recommended that your Commission take action at this meeting to select a Vice-Chair who will oversee and direct AAC functions during the Calendar Year 2026 term.

If you have any questions regarding this item, please call me at (805) 388-4200.

January 7, 2026

Aviation Advisory Commission  
555 Airport Way, Suite B  
Camarillo, CA 93010

**Subject:** Continuation of Discussion Regarding Effectiveness and Efficiency of the Aviation Advisory Commission

**Recommendation:**

The recommendation by the Department of Airports (DOA) is that an Ad Hoc Committee be established, with up to four members of the Aviation Advisory Commission (AAC), to research, investigate and ultimately make recommendations to the full AAC regarding effectiveness and efficiency improvements to the AAC. Any final recommendation would ultimately be presented to the County Board of Supervisors for consideration and final action.

**Fiscal/Mandates Impact:**

The fiscal impacts associated with this item involve the number of hours that the Department of Airports staff spends to prepare and attend each AAC meeting.

**Discussion:**

This is a continuation of the discussion during the November 12, 2025, AAC meeting regarding the effectiveness and efficiency of the AAC. Specifically, the Commission discussion focused on whether Ventura County stakeholders are fully benefiting from the AAC in its current structure and whether or not other changes could be made including but not limited to: restructuring, repurposing, and/or other modifications that would increase the effectiveness and efficiency of the AAC. The DOA believes that establishing an Ad Hoc Committee to evaluate this highly complex matter is a sound method in which to move forward.

If you have any questions regarding this item, please call me at (805) 388-4200.

**Subject: Receive and File a Monthly Staff Update from Communications and Engagement Manager Regarding Ventura County Airports**

**Recommendation:**

Receive and file a monthly staff update from Communication and Engagement Manager regarding Ventura County Airports.

**Fiscal Impact:**

This item is presented for information only and it does not require consideration by the Board of Supervisors at this time. There are no fiscal impacts associated with the recommended action.

**Discussion:**

The Department of Airports is continuing its work to bridge the gap between the Department, pilots, and the community with a heavy focus on building trust and nurturing relationships with all stakeholders of Camarillo Airport and Oxnard Airport.

For more than three years, Department of Airports' staff have focused heavily on community engagement through a variety of projects including the creation and implementation of Fly Friendly VC, two Part 150 Noise Compatibility Studies, the Airport Layout Plan for Camarillo Airport, the initiation of an Approach and Procedure Analysis for Camarillo Airport, and the establishment of a robust and transparent communication system that is designed with both neighbors and pilots in mind.

In addition, the Department of Airports began a series of feature stories highlighting the unsung heroes in local aviation in September 2023. This series puts a spotlight on those who tirelessly serve the community and who also help educate the community about a portion of local aviation that is often overlooked. The goal of the stories is to provide insight to the economic and philanthropic contributions made possible by the existence

of both Camarillo and Oxnard airports. Such contributions are often made under the radar and without knowledge to the general public.

The January 2026 story showcases the partnership between the Department of Airports and the Air Traffic Control Tower teams at both Oxnard and Camarillo airports and the bridges built to connect the community to both.

If you have any questions regarding this item, please call Jannette Jauregui at (805) 388-4287 or me at (805) 388-4200.

Aviation Advisory Commission  
Camarillo Airport Authority  
Oxnard Airport Authority  
555 Airport Way, Ste. B  
Camarillo, CA 93010

**Subject: Receive and File Staff Update Regarding Video Surveillance and Access Control System Installation at Camarillo and Oxnard Airports**

**Recommendation:**

Receive and file staff update regarding the installation status and planned activation of the new video surveillance and access control systems at Camarillo Airport (CMA) and Oxnard Airport (OXR).

**Fiscal/Mandates Impact:**

There are no additional fiscal impacts associated with this action. The project was completed within previously approved budgets and contracts, with a total project cost of approximately \$645,000.

**Discussion:**

The Department of Airports (Department) is providing an updated status report on the installation of the new video surveillance and access control systems at Camarillo and Oxnard Airports. This item was last presented to the Aviation Advisory Commission and Airport Authorities in June 2024, at which time system installation was still underway.

Installation of the physical infrastructure - including cameras, access control hardware, and supporting network components - has now been completed at both airports. The project has been in development for several years and experienced delays typical of large infrastructure efforts. Contributing factors included the COVID-19 pandemic, staff transitions, including the departure of the Deputy Director who initially led the project, standard government contracting and approval timelines, supply chain disruptions, and early efforts to negotiate individual agreements with tenants for camera placement. To avoid further delays, the Department ultimately moved forward with an alternate placement strategy that did not rely on tenant-specific negotiations.

The legacy surveillance and access control systems at both airports were more than 20 years old and relied on outdated network infrastructure and technology. The new system,

installed by Convergent Technologies, replaces that equipment with modern, high-resolution digital cameras, updated access control hardware, and a secure network backbone designed to support long-term reliability and future expansion.

While installation is complete, the system is not yet fully live. The Department is currently awaiting final pricing and configuration details from Convergent related to long-term video storage capacity. Once this item is finalized and implemented, the system is expected to be fully activated within approximately 30 to 60 days.

Overall, the completed system significantly enhances situational awareness, improves response capabilities, and provides an additional layer of security for the airports, tenants, and the County. It also strengthens the Department's ability to document conditions and activities should an incident occur, thereby reducing risk and improving accountability.

Department of Airports staff have been trained on system operation in preparation for full activation following completion of the storage component.

If you have any questions regarding this item, please call Casey Pullman at (805) 388-4290, or me at (805) 388-4200.

## **OCTOBER 2025**

### **CAMARILLO AIRPORT – PART 150 NOISE COMPATIBILITY STUDY**

#### **Status Update:**

- Provided responses to public hearing and City of Oxnard comments.
- Produced supplemental volume documenting public engagement efforts.

#### **Upcoming Action Items:**

- Produce Final NCP document to present to Airport Authority and Board of Supervisors.

**Project Percent Complete:** The project is 83.2% complete through October 2025.

### **OXNARD AIRPORT – PART 150 NOISE COMPATIBILITY STUDY**

#### **Status Update:**

- Provided responses to public hearing and City of Oxnard comments.
- Produced supplemental volume documenting public engagement efforts.

#### **Upcoming Action Items:**

- Produce Final NCP document to present to Airport Authority and Board of Supervisors.

**Project Percent Complete:** The project is 82.4% complete through October 2025.

### **ASP STANDARD DEVELOPMENT BROCHURE (AEA No. 25-01, WO No. 3)**

#### **Status Update:**

- Created graphic representation of available hangar space.

#### **Upcoming Action Items:**

- Revise publication based on staff feedback.
- Produce online and print version of final brochure for distribution.

**Project Percent Complete:** The project is 82.3% complete through October 2025.

### **OXNARD ATCT CATEGORICAL EXCLUSION (CatEx) (AEA No. 24-01/AEA No. 25-01)**

#### **Status Update:**

- Revised previously submitted CatEx to the new SOP 5.2 format. Submitted to the County on August 25, 2025

#### **Upcoming Action Items:**

- FAA to review. May need to respond to comments.

**Project Percent Complete:** The project was billed final on February 28, 2025.

## **NOVEMBER 2025**

### **CAMARILLO AIRPORT – PART 150 NOISE COMPATIBILITY STUDY**

#### **Status Update:**

- Revised responses to public hearing comments.
- Uploaded Final NCP document to study website.

#### **Upcoming Action Items:**

- Support presentation to Airport Authority and Board of Supervisors in January.
- Coordinate NCP submittal to FAA.

**Project Percent Complete:** The project is 83.2% complete through November 2025.

### **OXNARD AIRPORT – PART 150 NOISE COMPATIBILITY STUDY**

#### **Status Update:**

- Revised responses to public hearing comments and City of Oxnard comments.
- Uploaded Final NCP document to study website.

#### **Upcoming Action Items:**

- Support presentation to Airport Authority and Board of Supervisors in January.
- Coordinate NCP submittal to FAA.

**Project Percent Complete:** The project is 82.1% complete through November 2025.

### **ASP STANDARD DEVELOPMENT BROCHURE (AEA No. 25-01, WO No. 3)**

#### **Status Update:**

- Revised publication based on staff feedback.
- Created graphic representation of available hangar space for OXR airport.

#### **Upcoming Action Items:**

- Produce online and print version of final brochure for distribution.

**Project Percent Complete:** The project is 82.3% complete through November 2025.

### **OXNARD ATCT CATEGORICAL EXCLUSION (CatEx) (AEA No. 24-01/AEA No. 25-01)**

#### **Status Update:** No change from last month.

- Revised previously submitted CatEx to the new SOP 5.2 format. Submitted to the County on August 25, 2025.

#### **Upcoming Action Items:**

- FAA to review. May need to respond to comments.

**Project Percent Complete:** The project was billed final on February 28, 2025.

November 10, 2025

Mrs. Erin Powers  
Projects Administrator  
County of Ventura Department of Airports  
555 Airport Way, Suite B  
Camarillo, CA 93010

Re: Monthly Airport Project Status Update – October 2025

Dear Mrs. Powers,

Below is a summary of the tasks completed by Woolpert during the month of October 2025 for the Camarillo Airport:

**Conceptual Design for Runway/Taxiway Reconstruction (County Project No. AEA 22-10)**

- The County and Woolpert discussed this project during the coordination meeting on October 5 and 23, 2025
- **Upcoming:**
  - County to provide comments on the Conceptual Design package.

**Final Design for Runway Reconstruction (AIP Project No. 3-06-0339-044-2024)**

- The County and Woolpert discussed this project during the coordination meeting on October 5 and 23, 2025
- On October 22, 2025, the County met with the FAA to discuss their ACIPs and briefly discussed this project.
- The County provided Woolpert with a bid date of April 2026.
- **Upcoming:**
  - Continued coordination on this project with the County.
  - County will coordinate a design meeting with the FAA and Woolpert.

**Airport Pavement Management System (APMS) Update**

- The County and Woolpert discussed this project during the coordination meeting on October 5 and 23, 2025.
- **Upcoming:**
  - Woolpert will continue project coordination with the County and Applied Pavement Technology (APT).
  - APT will provide the draft Rehabilitation Recommendation Plan and APMS report.

**Runway 8-26 Pavement Damage**

- The County and Woolpert discussed this project during the coordination meeting on October 5 and 23, 2025

Woolpert, Inc.  
1300 Eastman Ave., Suite 214  
Ventura, CA 93003  
+1 303.524.3030

- **Upcoming:**
  - The County has no plans for interim repairs, this project will be removed from further progress reports

If you have any comments, please do not hesitate to contact me.

Sincerely,

Woolpert, Inc.

Re: Monthly Airport Project Status Update – November 2025

Dear Mrs. Powers,

Below is a summary of the tasks completed by Woolpert during the month of November 2025 for the Camarillo Airport:

**Conceptual Design for Runway/Taxiway Reconstruction (County Project No. AEA 22-10)**

- The County and Woolpert discussed this project during the coordination meeting on November 6 and 20, 2025.
- **Upcoming:**
  - County to provide comments on the Conceptual Design package.

**Final Design for Runway Reconstruction (AIP Project No. 3-06-0339-044-2024)**

- The County and Woolpert discussed this project during the coordination meeting on November 6 and 20, 2025.
- On November 14 and 20, 2025, Woolpert provided the County with the Federal grant application which is the master grant application for this project.
- **Upcoming:**
  - Continued coordination on this project with the County.
  - County will coordinate a design meeting with the FAA and Woolpert.

**Airport Pavement Management System (APMS) Update**

- The County and Woolpert discussed this project during the coordination meeting on November 6 and 20, 2025.
- On December 14, 2025, Woolpert provided the County with the draft APMS report.
- **Upcoming:**
  - Woolpert will continue project coordination with the County and Applied Pavement Technology (APT).

**Airport Capital Improvement Plan (ACIP) Update**

- The County and Woolpert discussed this task during the coordination meeting on November 6 and 20, 2025.

Woolpert, Inc.  
1300 Eastman Ave., Suite 214  
Ventura, CA 93003  
+1 303.524.3030

- On November 6, 2025, the County provided Woolpert with the Caltrans version of the ACIP.
- On November 13, 2025, Woolpert provided the County with the updated ACIP summary sheets.
- On November 14, 2025, the County provided comments on the updated ACIP summary sheets.
- On December 8 and 9, 2025, Woolpert provided the County with updated ACIP summary and data sheets.
- On December 12, 2025, the County provided comments on the updated ACIP summary and data sheets.
- **Upcoming:**
  - Woolpert will continue to coordinate with the County to get the ACIP completed.
  - Woolpert will prepare the ACIP exhibits.

If you have any comments, please do not hesitate to contact me.

Sincerely,

Woolpert, Inc.

Matt Gilbreath, P.E.

Re: Monthly Airport Project Status Update – October 2025

Dear Mrs. Powers,

Below is a summary of the tasks completed during the month of October 2025, by Woolpert and our subconsultants for Oxnard Airport:

**AIP Project No. 03-06-0179-038-2021 – Runway 7-25 Reconstruction**

- The County and Woolpert discussed this project during the coordination meeting on October 5 and 23, 2025.
- **Upcoming:**
  - The FAA did not have this listed as an open grant when the County met with them, this project will be removed from further reports.

**AIP Project No. 03-06-0179-042-2022 – Connector Taxiways A-E Reconstruction**

- The County and Woolpert discussed this project during the coordination meeting on October 5 and 23, 2025.
- On October 2, 2025, the County provided Woolpert with the Sponsor financial documentation needed for the Construction Closeout Report.
- On October 21, 2025, Woolpert provided an updated Construction Closeout Report to the County.
- **Upcoming:**
  - County to review Construction Closeout Report and provide missing items.

**AIP Project No. 03-06-0179-044/045-2023 – Taxiway A Reconstruction (Construction Management (CM))**

- The County and Woolpert discussed this project during the coordination meeting on October 5 and 23, 2025.
- Contractor Pay Application No.7 (Final), Final Adjustment of Quantities (FAQ), Change Order No. 7 (County and FAA versions) were signed and distributed.
- **Upcoming:**
  - Woolpert will continue project coordination with the County, Security Paving, and Royal Electric.
  - Airport Lighting Company will send a new Master Control Unit (MCU) to the County for the REILs. Woolpert will coordinate with Royal Electric on installation once the new MCU is delivered.

Woolpert, Inc.  
1300 Eastman Ave., Suite 214  
Ventura, CA 93003  
+1 303.524.3030

#### **Air Traffic Control Tower (ATCT) Improvements**

- The County and Woolpert discussed this project during the coordination meeting on October 5 and 23, 2025.
- **Upcoming:**
  - The County to get a firm to prepare the IFE.
  - The County will inform Woolpert when the revised fee proposal can be submitted.
  - The County will schedule a meeting with Woolpert to discuss this project.

#### **Airport Pavement Management System (APMS) Update**

- The County and Woolpert discussed this project during the coordination meeting on October 5 and 23, 2025.
- **Upcoming:**
  - Woolpert will continue project coordination with the County and Applied Pavement Technology (APT).
  - APT will provide the draft Rehabilitation Recommendation Plan and APMS report.

If you have any comments, please do not hesitate to contact me.

Re: Monthly Airport Project Status Update – November 2025

Dear Mrs. Powers,

Below is a summary of the tasks completed during the month of November 2025, by Woolpert and our subconsultants for Oxnard Airport:

**AIP Project No. 03-06-0179-042-2022 – Connector Taxiways A-E Reconstruction**

- The County and Woolpert discussed this project during the coordination meeting on November 6 and 20, 2025.
- On November 6, 2025, the County provided Woolpert with the signed Federal grant applications so the Sponsor certifications could be extracted.
- On November 14, 2025, Woolpert provided an updated Construction Closeout Report to the County. Woolpert corrected the display of two pages and provided the County with the final version of the report on December 11, 2025.
- On December 12, 2025, County provided the FAA with the Construction Closeout Report.
- **Upcoming:**
  - FAA to review the Construction Closeout Report and provide comments if revisions are needed.

**AIP Project No. 03-06-0179-044/045-2023 – Taxiway A Reconstruction (Construction Management (CM))**

- The County and Woolpert discussed this project during the coordination meeting on November 6 and 20, 2025.
- **Upcoming:**
  - Woolpert will continue project coordination with the County, Security Paving, and Royal Electric.
  - Airport Lighting Company will send a new Master Control Unit (MCU) to the County for the REILs. Woolpert will coordinate with Royal Electric on installation once the new MCU is delivered.

**Air Traffic Control Tower (ATCT) Improvements**

- The County and Woolpert discussed this project during the coordination meeting on November 6 and 20, 2025.

Woolpert, Inc.  
1300 Eastman Ave., Suite 214  
Ventura, CA 93003  
+1 303.524.3030

- On November 14, 2025, Woolpert provided the County with the IJA grant application. The County provided review comments on November 21, 2025 and Woolpert provided an updated application.
- On November 26, 2025, the County requested Woolpert to submit the fees for this project. Woolpert submitted the fees to the County on December 3, 2025.
- **Upcoming:**
  - The County to review the fees.
  - The County will provide comments on the IJA grant application so it can be updated and submitted before the January 15, 2026 deadline.

#### **Airport Pavement Management System (APMS) Update**

- The County and Woolpert discussed this project during the coordination meeting on November 6 and 20, 2025.
- **Upcoming:**
  - Woolpert will continue project coordination with the County and Applied Pavement Technology (APT).
  - Woolpert will provide the draft APMS report to the County for review.

#### **Airport Capital Improvement Plan (ACIP) Update**

- The County and Woolpert discussed this task during the coordination meeting on November 6 and 20, 2025.
- On November 6, 2025, the County provided Woolpert with the Caltrans version of the ACIP.
- On November 13, 2025, Woolpert provided the County with the updated ACIP summary sheets.
- On November 14, 2025, the County provided comments on the updated ACIP summary sheets.
- On December 8 and 9, 2025, Woolpert provided the County with updated ACIP summary and data sheets.
- On December 12, 2025, the County provided comments on the updated ACIP summary and data sheets.
- **Upcoming:**
  - Woolpert will continue to coordinate with the County to get the ACIP completed.
  - Woolpert will prepare the ACIP exhibits.

## Camarillo residents care, work and 'invest in one another'

Mayor Kildee  
addresses state of the city at airport museum  
*November 15, 2025*

By Scott Steepleton  
scott@theacorn.com

Mayor Kevin Kildee walks off from the podium to get a cup of water during his speech at the 2025 State of the City meeting at the Commemorative Air Force Museum in Camarillo on October 23. Photos by BLAKE FAGAN/Acorn Newspapers

With planes around him a symbol of soaring high and far, Mayor Kevin Kildee delivered the 2025 State of the City address at the Camarillo Airport emphasizing themes of resilience, economic vitality and an ongoing commitment to public safety and sustainability.

Speaking in the Commemorative Air Force Museum Oct. 23 in an event co-hosted by the West Ventura County Business Alliance, Kildee opened by thanking the attendees and calling the museum a treasure, before praising the residents and City Council for their dedication, stating that the community is brought to life by "people who care, people who work, people who invest in one another."

Clothing store owner Kildee told the audience, "We stand on the shoulders of giants who came here first and set the pace." But the current council isn't too shabby either, he implied.

"We have an attorney. We have a nurse. We have a doctor. We have a (former) chief from the Ventura County Sheriff's Office. And we have a pants salesman. Now, is that diverse or what?"

"It is truly an honor and a privilege for me to serve as Camarillo's mayor," Kildee said.

The address came not long before the year anniversary of the Nov. 6, 2024, Mountain fire and Kildee emphasized "resilience" took on new meaning in its aftermath. He extended gratitude to the Ventura County Aviation Unit and the Camarillo Airport for serving as a critical staging area to fight the 20,000-acre fire, and thanked all who mobilized to activate emergency operations and deliver vital support to residents and businesses.

In summing up the city's response, Kildee said officials activated a special hotline, launched a dedicated recovery website and held community meetings with CalFire and Ventura County to keep residents informed.

Meanwhile, the Camarillo Public Library offered a safe place for residents to reconnect with Wi-Fi and essential services, and library staff created a gratitude display for responding agencies.

To embed a culture of resilience, Kildee said the city continues to implement its Sustainability Master Plan, making operations resilient to climate change, and reducing greenhouse emissions. Key efforts this year include: • Finalizing the Climate Action Plan: This will guide policies to protect the environment and reduce emissions, complementing the SMP. • Zero-emissions fleet transition: The city purchased 12 new Ford F-150 Lightning trucks, projected to save \$120,000 annually in fuel and maintenance costs. • A \$4 million state grant was secured for a future zero-emissions bus depot at the Metrolink station. The city aims to have nearly a third of its fleet be zero-emission, moving toward a 45% target by the end of 2026. A \$250,000 grant from the Clean Power Alliance is helping to cover the cost of additional zero-emission vehicles.

Mayor Kevin Kildee delivers his speech.

Other efforts along these lines include an LED lighting retrofit at the library to save energy and a mulch giveaway program with Agromin to divert organic waste from landfills.

Despite economic uncertainties, the mayor reported that Camarillo's financial outlook remains strong. The five-member City Council unanimously approved a \$159 million balanced budget for fiscal year 2025-26, focusing on public safety, economic security, affordable housing and technological advancements.

Camarillo maintains a triple-A bond rating from Standard and Poor's, with healthy reserves for fiscal flexibility.

The city's Economic Development Strategic Plan will be refreshed in 2026, maintaining a focus on growing and diversifying the economic base in sectors like advanced manufacturing and life sciences.

The draft of the Old Town Strategic Plan, a five-year action plan, is headed to the City Council before year's end to build Old Town's charm with better amenities.

The new OpenGov portal makes doing business easier, allowing applicants to handle permits, licenses, payments and inspections entirely online or at City Hall self-service kiosks.

Turning to some key economic data, Kildee said Camarillo has nearly 4,400 businesses, with 75% in commercial areas. The unemployment rate is 5%, which is better than the county (5.4%) and the state (6.1%).

The industrial base is solid with 11 million square feet of industrial space and more than 100 manufacturers. The industrial vacancy rate is 2.9%, well below the state's 7.3%. The office market has a vacancy rate of 11.7%, better than the state's 14.2%.

Kildee cited economic momentum in technology and manufacturing, noting: • HRL Laboratories expanded to strengthen the U.S. infrared hardware supply chain. • Sandvic's Battery Center of Excellence continues to grow as a global center for battery electric vehicle technology. • Magical's new manufacturing facility will enable a 300% increase in production capacity for aerospace and defense customers. Kildee also highlighted community-serving projects, including Central Plaza on Arneill Road welcoming a new Vons supermarket and gas station, with upgrades nearing completion. And site work has begun for a 160,000-square-foot Costco and gas station near Springville Drive and the Promenade.

Meanwhile, construction is progressing on a 1,000-capacity conference center and two hotels at the Promenade. New restaurants include Chick-fil-A, McKenna Coffee, 999 Pizza and 999 Tiki, with Texas Roadhouse and House of Bamboo Tiki Lounge coming soon.

Technology modernization is happening, with the city completing a five-year plan to guide how technology is used to better serve residents, reinforce public trust and strengthen cybersecurity. At the same time, city staff is creating an enterprise asset management system to track physical assets, digitizing records and enhancing technology for public safety.

An example of leading-edge technology, he added, are the council chambers, which underwent their first remodel since 1976, and boast new audio-visual and assistive listening systems.

Crimes against people and property remain flat this year with the Ventura County Sheriff's Office—the city's "police department"—targeting organized retail theft, holding outside perpetrators accountable.

calls, and new Opticom GPS devices at intersections allow first responders to preempt traffic signals during emergencies, enhancing safety and improving response times.

The city is working to ensure a diverse range of affordable housing choices, Kildee said, with nearly 1,000 homes under construction, serving all income categories, including Lennar's 159 single family homes at Springville (Cortona Community), expected to be completed in 2027; Williams Homes' 285 townhomes and 24 apartments at Palmira Camarillo Village, with units set aside for moderate and low-income buyers/residents, expected to be complete by the end of 2027; and Fairfield Residential's 385 rental apartments at Camino Ruiz, including 40 affordable units, which are expected to be completed next year.

The city also celebrated the groundbreaking and opening of the Vista Campanario Apartments, a joint effort that provides 100% affordable housing for low-income families, veterans, and disabled households. The city provided a \$4.9 million loan and donated the land for the 59-unit apartment complex, with eight for-sale townhomes under construction by Habitat for Humanity.

Kildee concluded by reiterating that Camarillo's best days are ahead, stressing that the city is resilient and will continue to move forward because, as the city's motto states, "Los personas son la ciudad—the people are the city."

**SUBJECT:** November 13, 2025 Agenda Item No. D, Oxnard Airport Authority - City of Oxnard Comment Letter on Part 150 Noise Compatibility Planning Study for Oxnard Airport

Dear Mr. Freitas:

I would like to clarify, and formally submit my comments from the November 13, 2025 Camarillo and Oxnard Airport Authority Meeting. I appreciate the efforts of your staff, particularly Erin Powers, to work with City of Oxnard staff to address questions regarding the Part 150 update process and response to City comment letters.

The City greatly values Ventura County Airport staff's willingness and openness to address staff concerns regarding community noise equivalent levels (CNEL). Airport Staff modified the Part 150 document to include a CNEL range of 60-65, which the City of Oxnard is supportive of. Staff's understanding is that the Ventura County Transportation Commission (VCTC), serving as the Ventura County Airport Land Use Commission (ALUC), will use the Ventura County Part 150 Noise Compatibility Planning Study to inform the future update to the Airport Comprehensive Land Use Plan (ACLUP). The City of Oxnard is in support of this Part 150 Noise Compatibility Planning Study with the 60-65 CNEL threshold as the basis for land use compatibility guidelines for Oxnard Airport and the ACLUP process.

Sincerely,

A handwritten signature in dark ink that reads "Bert E. Perello". The signature is written in a cursive, flowing style.

## REMINDER: Applications for Airport Authority Now Open

This is a friendly reminder that applications are now open for one Public Member seat and one Public Member Alternate for the Camarillo Airport Authority, and one Public Member seat and one Public Member Alternate for the Oxnard Airport Authority. The Public Member shall serve a two-year term commencing March 1, 2026, through February 29, 2028. The Public Member Alternate will serve in place of the Public Member should he/she be unavailable and shall serve a two-year term commencing March 1, 2026, through February 29, 2028.

All interested candidates should complete an Application for Appointment and submit it to the Department of Airports (submission instructions can be found at the bottom of page 2 of the application at the link below) **no later than 11:59 p.m. on Friday, December 19, 2025**. Click here to view the application. (<https://s48873.p1092.sites.pressdns.com/camarillo-and-oxnard-airport-authorities-applications/>)

All interested candidates should plan to attend the Camarillo Airport Authority/Oxnard Airport Authority meeting scheduled for **Thursday, January 8, 2026, at 6:30 p.m., in the Department of Airports Administration Office located at 555 Airport Way, Suite B, Camarillo, CA 93010.**

We thank you for your time. Any questions or concerns can be e-mailed to [airportmeetings@venturacounty.gov](mailto:airportmeetings@venturacounty.gov) (mailto:airportmeetings@venturacounty.gov).

Mr. Charlie McLaughlin  
Aspen Helicopters

RE: Oxnard Airport – 5 acre site  
Additional soils testing

Dear Charlie:

As we discussed last month, attached is the final report from consultant Geosyntec for the additional soils investigation, following the reporting from your consultant Trak Environmental last year.

As Erin noted in our phone call, there are options to consider for remediation (see page 6 of the report); at this point the County Department of Airports (“Airports”) is not in a position to pursue those costs, but they could be considered part of any capital expense requirement towards your project / lease requirements should you elect to move forward at this location.

At this time, and after you have had a chance to digest the information and seek input from your consultants, we request your determination whether you intend to move forward with your development - including the remediation - within 90 days by March 9, 2026.

For remediation, Airports would consider removal of the soils to an approved off-site location only; capping in place with a land use restriction and soil management plan would not be an approved resolution.

If you choose not to move forward with your project, Airports will re-issue a Request for Proposal for the site, advising the environmental clean-up requirements as part of the development requirements.

If you choose to move forward with remediation, you would have to sign the lease agreement within 60 days of your notice to us of your intention to proceed in order to begin your project, and we would extend the timeline for the completion of your improvements

Charlie McLaughlin

from the original proposal (see Letter of Intent from January 2024) by 12 months to allow for the remediation process, giving you three years from lease commencement to complete your \$10 million investment/project. Rent at \$17,000 per month for the site would commence upon lease execution ( we anticipate you will negotiate a rental arrangement with First Student to remain on a portion of the site until you commence remediation).

To summarize:

- Notify Airports no later than March 9, 2026 of Aspen's intent to undertake remediation or not;
- If Aspen declines remediation, Airports will re-issue RFP to develop the site to include required remediation by developer;
- If Aspen elects to undertake remediation, Aspen to execute new lease agreement within 60 days of notice to Airports to remediate.

Please let us know your decision no later than March 9, 2026. Thank you for your continued cooperation.

Sincerely,

Madeline Herrle

## FINAL REMINDER: Applications Now Open for Airport Authority

This communication serves as a final reminder that applications are now open for one Public Member seat and one Public Member Alternate for the Camarillo Airport Authority, and one Public Member seat and one Public Member Alternate for the Oxnard Airport Authority. The Public Member shall serve a two-year term commencing March 1, 2026, through February 29, 2028. The Public Member Alternate will serve in place of the Public Member should he/she be unavailable and shall serve a two-year term commencing March 1, 2026, through February 29, 2028.

All interested candidates should complete an Application for Appointment and submit it to the Department of Airports (submission instructions can be found at the bottom of page 2 of the application at the link below) **no later than 11:59 p.m. on Friday, December 19, 2025**. Click here to view the application. (<https://s48873.p1092.sites.pressdns.com/camarillo-and-oxnard-airport-authorities-applications/>)

All interested candidates should plan to attend the Camarillo Airport Authority/Oxnard Airport Authority meeting scheduled for **Thursday, January 8, 2026, at 6:30 p.m., in the Department of Airports Administration Office located at 555 Airport Way, Suite B, Camarillo, CA 93010.**

We thank you for your time. Any questions or concerns can be e-mailed to [airportmeetings@venturacounty.gov](mailto:airportmeetings@venturacounty.gov) (<mailto:airportmeetings@venturacounty.gov>).

Department of Airport News dated December 16, 2025

**SELECTION PROCESS OF A MASTER DEVELOPER FOR AN APPROXIMATE 4.1 ACRE SITE FOR COMMERCIAL AVIATION DEVELOPMENT and/or REPAIR OR REPLACEMENT OF GENERAL AVIATION AIRCRAFT HANGARS AT THE CAMARILLO AIRPORT**

The Ventura County Department of Airports (“County”) is issuing a Request for Proposal (“RFP”) to solicit proposals for the improvement, redevelopment, repair, replacement and/or lease/management of an approximate 4.1 acre aviation – use only parcel of land at the Camarillo Airport (“Airport”) in the City of Camarillo, California, located on the airfield, east of Air 7 FBO and west of the Commemorative Air Force Facility.

If you wish to participate, download the Request for Proposal document information from the County of Ventura website at <https://ventura.bonfirehub.com/> beginning at 4:00 PM December 31, 2025 (**Ref. #:RFP AIR 2026-01**)

Request for Proposal responses will be received online at <https://ventura.bonfirehub.com/portal/?tab=login> until 1:00 PM Thursday, February 12, 2026 for **“SELECTION PROCESS OF A MASTER DEVELOPER FOR AN APPROXIMATE 4.1 ACRE SITE FOR COMMERCIAL AVIATION DEVELOPMENT and/or REPAIR OR REPLACEMENT OF GENERAL AVIATION AIRCRAFT HANGARS AT THE CAMARILLO AIRPORT”**

All questions concerning this RFP should be submitted online at <https://ventura.bonfire.com/portal/?tab=login>. If you need additional information, please contact Madeline Herrle, Lease Manager via email at [madeline.HERRLE@venturacounty.gov](mailto:madeline.HERRLE@venturacounty.gov)
